GRP Solutions Partners with Sustainability Leader, Gurit

GRP Solutions is delighted to announce its appointment as a Gurit Authorised Distributor for the UK Market. GRP Solutions will distribute Gurit's range of recycled core materials and formulated products including laminating and adhesive systems to the marine, transportation, building and construction, and industrial markets. Gurit's passion for a sustainable future and innovative products are an excellent fit with GRP Solution's ambition to be leader in the composites distribution sector not only in terms of service but also sustainability.

Lance Hill, General Manager, Marine & Industrial comments, "We are pleased to have GRP Solutions on board as an authorised distributor for Gurit products, particularly for our Kerdyn Green PET structural core, which offers customers a sustainable alternative for composites. GRP Solutions set the standard for distribution and service with which we are happy to be aligned."

Brian Harpur, Managing Director of GRP Solutions adds, "We are thrilled to be working closely with Gurit, a world class supplier, to deliver more sustainable solutions to our customers. With the addition of Gurit's structural materials, particularly Gurit Kerdyn Green, made from recycled plastic bottles and the bio-based epoxy resin systems, we are driving change towards a more sustainable future."
