

## PRESS RELEASE

8 August 2022

### GRP Solutions appointed Miracle Gloss Distributor

GRP Solutions is proud to announce its appointment by leading manufacturer Stoner as exclusive distributor for UK and Ireland of the Miracle Gloss semi-permanent mold releases system.

Mitchell Riley of Stoner Molding Solutions comments, "We are delighted to be partnering with GRP Solutions who are well known in the composites market for supplying a great range of solutions and offering technical support through its traditional distribution set up. Stoner acquired the Miracle Gloss portfolio in 2018 and we are excited to offer this fantastic range of semi-permanents to the UK".

Lee Williamson, Sales Director of GRP Solutions adds, "We are thrilled to be working with molding experts Stoner, and deliver Miracle Gloss to the composites market with its semi-permanent mold release technology for multiple releases per application. Our customers will benefit from optimised molding operations and production processes from a suite of five outstanding products consisting of a Miracle Gloss cleaner, sealer, release agents and a less hazardous water based option".
